WORKBUILT
ACADEMY

SCHOOLS & WORKFORCE PROGRAM OVERVIEW

WorkBuilt Academy licenses practical skilled trades and property preservation curriculum to schools, CTE programs, workforce organizations, reentry programs and community partners. Your instructors teach it. Your learners get the books and the WorkBuilt Trade Library.

WHAT YOUR CURRICULUM LICENSE INCLUDES

1
Curriculum License

The right to teach the WorkBuilt skilled trades and property preservation curriculum to your learners, with activities and assessments. Learners earn a WorkBuilt Academy Certificate of Completion naming the curriculum. Priced by learner count.

2
The Books

Over 1,000 pages of instruction, led by The Hands That Keep America Running: The Study Guide at 1,119 pages.

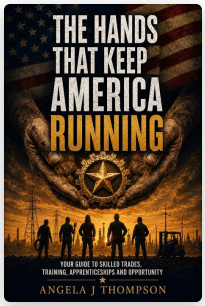

3
WorkBuilt Trade Library

61 books and 9,885 pages, searchable in plain English with answers cited to the page. One access code seats a whole class.

4
On-Site Training

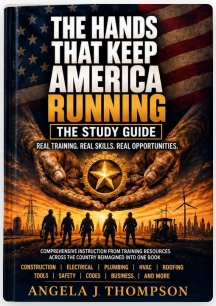

Optional. We come to you and teach a shortened version of the curriculum for corporate teams, conferences, seminars and staff training.

THE BOOKS

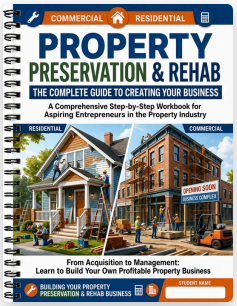

The Hands That Keep America Running

A career guide to the skilled trades: training, apprenticeships and licensing pathways in all 50 states.

The Hands That Keep America Running: The Study Guide

1,119 illustrated pages. Equal parts on electrical, plumbing, HVAC and roofing: 41 chapters, 316 illustrations and a 920-term glossary.

Property Preservation & Rehab: The Complete Guide to Creating Your Business

Inspections, securing, maintenance, rehab and repairs, estimating, work orders and business startup.

THE HANDS THAT KEEP AMERICA RUNNING: THE STUDY GUIDE, BY TRADE

Electrical	Plumbing	HVAC	Roofing
Part 1 · 11 chapters	Part 2 · 10 chapters	Part 3 · 10 chapters	Part 4 · 10 chapters

- ✓ Estimating and work orders
- ✓ Business startup
- ✓ Curriculum Certificate of Completion

WHO WE SERVE

SCHOOLS & CTE | WORKFORCE DEVELOPMENT | REENTRY PROGRAMS | COMMUNITY COLLEGES | YOUTH PROGRAMS | VETERAN PROGRAMS | CORPORATE TEAMS

WORKBUILT TRADE LIBRARY

A members-only web app for students and instructors. It searches every page of 60 public-domain trade manuals plus The Hands That Keep America Running: The Study Guide: 61 books and 9,885 pages. Learners ask a trade question in plain English and get the answer with the book and page it came from. One access code seats a whole class, and instructors get reports on how their class uses it.

IMPLEMENTATION MADE SIMPLE

1. **Choose Program**
   Skilled trades, property preservation or both.
2. **Number of Learners**
   From a single class to a district or a full workforce program.
3. **Books & Trade Library**
   Choose the books and add Trade Library access codes.
4. **Curriculum License**
   Your instructors are licensed to teach the curriculum to your learners.
5. **Implementation**
   Teach in the classroom, online or in a hybrid format.
6. **On-Site Training**
   Optional. WorkBuilt teaches a shortened version on site and issues certificates.
